

All your antibody solutions

From trusted suppliers with local support

we Connect you to the Right Antibody

Access thousands of antibodies from trusted brands, with local support and one point of contact.

Bio-Connect brings together antibodies from more than 20 suppliers, ranging from broad portfolios to specialists in secondary antibodies, validation, IHC, and mounting media. On the back of this brochure, you'll find an overview of our antibody suppliers, the antibody types they offer and the applications they support (IHC, IF/ICC, FC, WB, ELISA and more). Quickly find the right supplier for your target and order everything easily through one local partner.
