Animal Origin-Free (AOF) Manufacturing

Quality & Safety Standards

- Bacterial endotoxin testing
- Host DNA residual testing
- Sterility testing
- Host protein residual testing
- Mycoplasma testing
- Human virus testing

Audit Readiness & Transparency

- **Full Support for Customer On-site Audits:** We welcome and facilitate comprehensive on-site inspections of our manufacturing facilities and Quality Management Systems (QMS).
- **Transparent Quality Assurance:** Direct access to our experienced audit team and detailed compliance documentation.
- **Your Risk, Our Priority:** Building absolute trust for your IND/BLA regulatory filings.

Technical Specifications & Ordering Information

Based on the GMP-grade quality management system platform, combined with the production specifications of cell therapy drugs, we have successfully developed a series of high-quality GMP-grade cytokines.

Cytokines	Cat#	Species	Express System
Recombinant Human PDGF-BB	G001-50UG	Human	CHO
Recombinant Human IL-15	G002-50UG	Human	CHO
Recombinant Human IL-7	G004-50UG	Human	CHO
Recombinant Human IL-21	G005-50UG	Human	CHO
Recombinant Human IL-2	G007-100UG	Human	CHO
Recombinant Human IL-12	G008-50UG	Human	CHO
Recombinant Human LR3-IGF1	G009-250UG	Human	CHO
Recombinant Human EGF	G010-250UG	Human	CHO
Recombinant Human VEGF165	G011-50UG	Human	CHO
Recombinant Human Activin A	G012-50UG	Human	CHO
Recombinant Human TGF- β 1	G016-50UG	Human	CHO
Recombinant Human Transferrin	G017-100MG	Human	CHO
Recombinant Human TPO	G018-50UG	Human	CHO
Recombinant Human SCF	G020-50UG	Human	CHO
Recombinant Human IL-18	G025-50UG	Human	E.coli
Recombinant Human bFGF	G027-250UG	Human	E.coli
Recombinant Human BMP-2	G028-50UG	Human	E.coli
Recombinant Human M-CSF	G029-50UG	Human	E.coli
Recombinant Human IL-1A	G030-50UG	Human	E.coli
Recombinant Human IFN γ	G031-50UG	Human	CHO
Recombinant Human GM-CSF	G032-50UG	Human	CHO
Recombinant Anti-Human CD3 mAb	G033-250UG	Human	CHO
Recombinant Anti-Human CD16 mAb	G034-250UG	Human	CHO
Recombinant Anti-Human CD28 mAb	G035-250UG	Human	CHO
Recombinant Human G-CSF	G043-50UG	Human	CHO
